As the 1975-76 school year approached us none to quickly, life at E.H.S. began at 8 a.m. with homeroom to start our day. As the first nine-weeks rolled around, tardies for some students added up to 19 or more. So for our late sleepers, homeroom was changed to the end of first hour. As you probably guessed, we had some frustrated sleepers.

Again like last year, Edison was presented with a new principal, Mr. LeRoy Webdell. Different policy rules and regulations we had adjusted to once more. Edison also added 13 new teachers. The inexperienced blended in with the experienced to become one of the school's best.

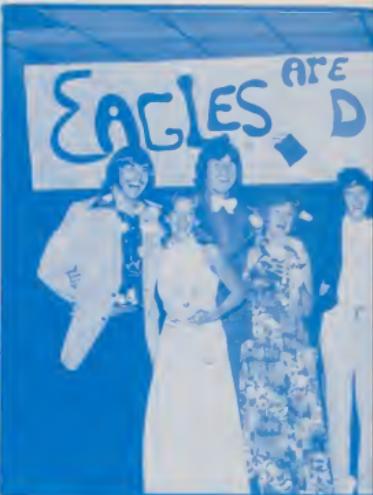

Lunch time seemed to be the same routine. Those students, fortunate with cars, went to the local McDonalds, Burger King, Armans, and the modernized Burger Chef. The others at school ate the usual Pizza Burgers, Hoggies, and Stromboli.

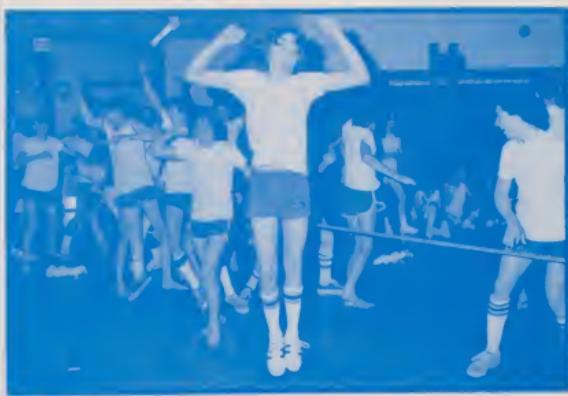

Restroom and locker stops between classes. Boy, were they short visits. We never seemed to catch up on all the gossip.

ACADEMICS

Academics: Some new, some old. Phase elective English classes were going strong with several new class offerings. For some, hours seemed to last forever. But whose fault was that? You can only make the class what it is and for what it is worth. Your effort, combined with class participation, can make it happen. We all know that E.H.S. lacks in some areas, and our facilities are not the best, but we get by each year. To everyone, the last hour of the day brings relief. Our minds seem to drift away as the hands of the clock slowly, but surely, reach the destination of 2:55. For Seniors, it is 1:55 with an hour to spare before practices, meetings or whatever. Each class varies for students. You can always tell what class is liked best. Report cards tell it. With the daily interruptions by the intercom, the teacher's look at that little square box got worse and worse. Wish we could read their thoughts! As we march right on through classes the question becomes, "Where do you go from here?" The passing of test answers from the hour before never seemed to work. Apparently the teachers gave a different test.

As Freshmen, we adjust to many different life styles. Some complicated and some not quite so hectic. Freshmen girls look in-a-daze, when upperclassmen guys check them out. Some got lucky and got a date. As classes seem to get easier, Freshmen fitted with the rest of us.

Sophomores come back with a new outlook on the prospective school year. They feel as if they have accomplished many tasks and were no longer at the bottom of the totem pole.

Classes change again for Juniors. College preparation starts entering the minds that linger. Preparing for college becomes essential for what the future holds yet, classes will always change from year to year. They change from the time we are Freshmen to the time we are Seniors.

Before we go on marching through Edison, Academics is where it is at!

As the pyramid of classes grow, tension of each class builds up on everyone, yet classes that are the most nerve racking prove to be the most rewarding.

"Come march with us" as we celebrate America in its 200th year. We as a school, will always remember the Bicentennial year. And hopefully the spirit of '76 will live forever.

Annual altered to all-year book

The yearbook program took a new turn as the class, and a new adviser, produced the first all-year annual in some 12 years.

Co-editors Karen Kinsey and Sharon Davis, along with a staff of nine, coped with new specifications, including: copy preparation, an increase in ad sales, a new book size, color, and deadlines that came late in the year.

At first, the program had access to student photography--some 200 photos.

Co-editors Karen Kinsey and Sharon Davis, along with staffer Patty Brant, review specs with Mrs. Pat Lindemann, Josten Yearbook Company rep. 3. Linda Gee considers the competing elements of page make-up--pictures, copy, and possible art. 4. The staff (Top to Bottom): Nancy Daniel, Patty Brant, Nancy Davis, Eva Cloyd, co-editors Sharon Davis and Karen Kinsey, Jeff Streetman, Mary Lou Overbay, Linda Gee, (not pictured) Ed Dranchak and Bobbee Miller. Selected as next year's editors, -Nancy Daniel and Bobbee Miller, coordinator of photography.

The Eagle Feathers is published by the Edison Senior High School journalism class, 3304 Parkside, East Gary, Indiana 46405.

Eagle Feathers Changes Format, Adviser

The staff returned to find out they had eight, not six, pages to fill for the monthly run of some 3,000 papers. With a new adviser, the students took on photography and reporting at the Junior High and elementary schools.

Changes were made. The Arts, a Bi-centennial issue, and even a new nameplate were brought about. Yet, tradition held too.

Events: The year '75-'76 proved a good one. Students became more involved to better themselves and their school.

As always, the competitive class spirit was the factor in student life, especially during third hour Pep Sessions. Though the Spirit Trophy was awarded to the Seniors, school spirit was considered low.

Homecoming week (Sept. 29-Oct. 4) proved the most hectic of times with Thursday night's parade and hall decorations. Piled on top with that the bonfire and finally the game and dance. Each class found themselves in utter chaos trying to accomplish their projects.

Seniors took the hall project and hall decoration competition. Juniors, who placed second in hall project, received a first for their float "Elton Eagle" with the slogan, "We're Scorin' More".

After three years, Powder Puff football returned. Seniors again won in overtime against the Juniors.

Something new: The Student Council sponsored a winter dance called the "Snowball". The music was provided by Cross-winds for the 155 students who attended the formal event Jan. 31st.

Midyear, it became the dream of every girl to be asked to the prom. The prom was held at EHS's gym with the post prom at the Supervisor's Club in Hobart. The theme of the prom was "Evening in Paris."

This year, Deca District Contest was held at Valpo High School on Wednesday, February 11th. Fifty-nine students from EHS participated and returned with 14 trophies. They competed against all Northwest Indiana Schools. All first and second place winners were sent to Deca State Contest in French Lick, Ind., March 19th through the 21st.

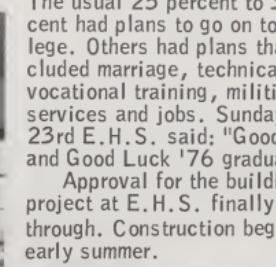

In addition to our new principal, EHS added 13 new teachers to its staff. Adjustments to these changes had to be made by both students and faculty.

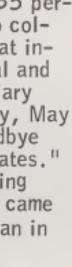

The highlight of the last home football game was the band marching onto the field in new uniforms. It took five years of hard work on the part of both band members and band parents to raise the funds. The activities that made the uniforms possible included selling calendars, sponsoring turkey dinners, and going door to door. The new uniforms are black and feature a reversible overlay for marching band and it converts to a tuxedo for concert band.

Graduation came and as usual seniors were out a week early. It was sad considering leaving, but each graduate had his or her own paths to follow.

The usual 25 percent to 35 percent had plans to go on to college. Others had plans that included marriage, technical and vocational training, military services and jobs. Sunday, May 23rd E.H.S. said: "Goodbye and Good Luck '76 graduates."

Approval for the building project at E.H.S. finally came through. Construction began in early summer.

SPORTS

Sports '75-'76. It would be a banner year for team and individual efforts. Cross Country was off and running with an improved season and a new head coach, Mr. Patty. Like last year, Mary Ann Mullarkey was the girl's contribution to the efforts. It was a hard season with Francis Dunn earning third in the Conference; 10th in the Invitational.

Last year's football team earned a winning season and repeated it again for a fourth straight time on the gridiron at the 6-4 mark. As usual it was the same number of injuries and breaks that didn't help. The JV's also had a strong season this and last year--1-4 and 2-2-1 respectively. It was a growing program.

Then the basketball team came on with a 14-8 season. Coach Yagodnik, in his third year, took the team all the way to the Sectionals--a hard lost to East Chicago Washington. It was the first time the team took part in the NWH Conference.

After an embarrassing lost to Michigan City Rogers, the wrestling team got off and going and went ahead to win the NWH Conference for a second year in a row. The varsity were 10-3 while the JV's finished 7-2. A standout, freshman Bob Sliger went undefeated for the season.

Then in spring, the Prevocational basketball team took state. And this was only their second season in this competition. What a win.

The Harriers had a difficult, but better season than last year. Senior Francis Dunn did well in the Regionals and Sectionals. It was a 4-8 season.

The girl's gymnastic squad went 7-3 for the season with Sandy Kincheloe going all the way to state for competition. It was a good year for the team's underclassmen. Then the girl's track took the Conference for the first time.

The baseball team went in streaks, but tied for first in the Conference with two games to go. The JV's lost only a couple this year. And the golf team closed with a 13-9 record and third in Conference. Standout was John Derado.

Some 400 Students Take Part in '76 Intramurals

The Intramural Association (IMA) entered its 10th year with Mr. Steve Gaza as its coordinator. This year as last year, the program featured a variety of sport competition including B-ball, tennis, bowling, golf, pin ball, and chess. In all some 400 students took part in the program through-out the year—an all time record. In addition, Mr. Gaza reports that girls are becoming more involved than ever before. Originally, the program only served the boys.

"The competition has become much keener than in the past—it was close in a lot of the matches," noted Mr. Gaza, adding, "I am really please with the overall aspects of the program."

Top winners form this year:

Basketball—(one-on-one)

Rich Kurzdorfer; (two-on-two) Dale Maretich and Francis Dunn; (five-on-five) Rick DeVaney, Jeff Streetman, Skip Meitzler, Francis Dunn, Dale Maretich.

Tennis—Janis Floyd, Kelly Richmond, Ann Richmond, Nick Derado, Bino Handley, Joe Burton.

Bowling—All-school champ, John Schlichting; girl's champ, Laura Labadie. Also Mike Zmierski, Guy Matlock, Joe Jacob and John Schlichting.

Golf—Nick Derado, Doug Steen, Kris Gaza and John Derado.

Pin ball—All-school champ—Mike ImHausen, Chess—Mike Ortiz, Jim Zambrana, Mark Rogers, and Tony Lewis.

(Pic. 1) It's all smiles for Mike ImHausen, the school's overall pin ball champion. He took the title with a 15-2 record—the nearest competitor of 20 boys was only able to win ten games.

(Pic 2) Bowling champs—Joe Jacob, Laura Labadie and Mike Zmierski.

(Pic 3) Tennis stars—Ann Richmond, Janis Floyd, Kelly Richmond, Joe Burton, and Bino Handley.

'75 Varsity — 18-6 — Take Conference

Last year's varsity team finished the season 18-6 with the Conference Title. The team lost in the sectional to Chesterton.

The team, after a slow start, posted a 10-4 record in the mid-season.

Pitching was strong with Dave Kadish, Boyd DeHaven and Paul Cretton. The defense was strong with offense coming on.

Deciding Juniors Go For One More . . .

The year started off with the arrival of our class rings in October. We had to carry the load of raising money and preparing for the Prom. Luckily, the car wash, dance, and the Super Frog posters were very successful at making money. They brought in over \$1,000. At Homecoming our float, 'Elton Eagle the Football Wizard' took first place.

Sophomores Close Year With Unity

The sophomores began the year with the usual trouble of any class organizing activities. Getting class members involved slowed fund raising events and class unity.

Then something new for tradition. Sophomores were able to order class rings. The rings were shipped at the close of the year.

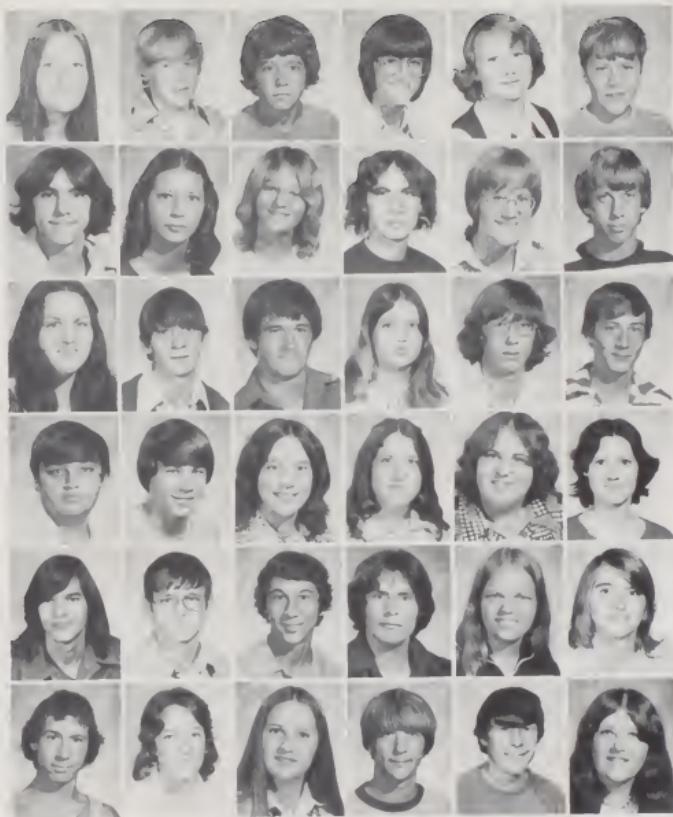

Of course, the class was busy with Homecoming and such. Then in March, on the 20th, the class sponsored a car wash, at Ray's Lanes. The effort raised a great deal of money and a brief rain shower that very morning brought relief to the work.

In addition, the class held four bake sales at school that month as well as another early in April at the local Thrifty Mart.

"The same small group did the work, but as the year progressed and we seemed to mature, the class got together," said Lori Tokash, class president.

Sophomore class officers: Lori Tokash, president, Karen Kurzdorfer, vice president, Themmy Morikis, girl's representative, Conine Rowland, secretary, Geni Frum, treasurer. 2: Edison Eagles hat that the cheerleaders sold. 3: Sophomores show off their class rings.

Freshmen Unsure, Yet Goals Are Met

The freshmen, as a class, were not sure how to start their four years here. "We didn't know what to do. We never have done these sort of things before (fund raising events)," noted Cathy Murray, class president.

Early in the year a class flag was ordered. And for the first part of this year, the fund raising events consisted of bake sales.

Then in February, the class held a dance followed by a bike raffle, a money-maker here and at the Junior High Carnival.

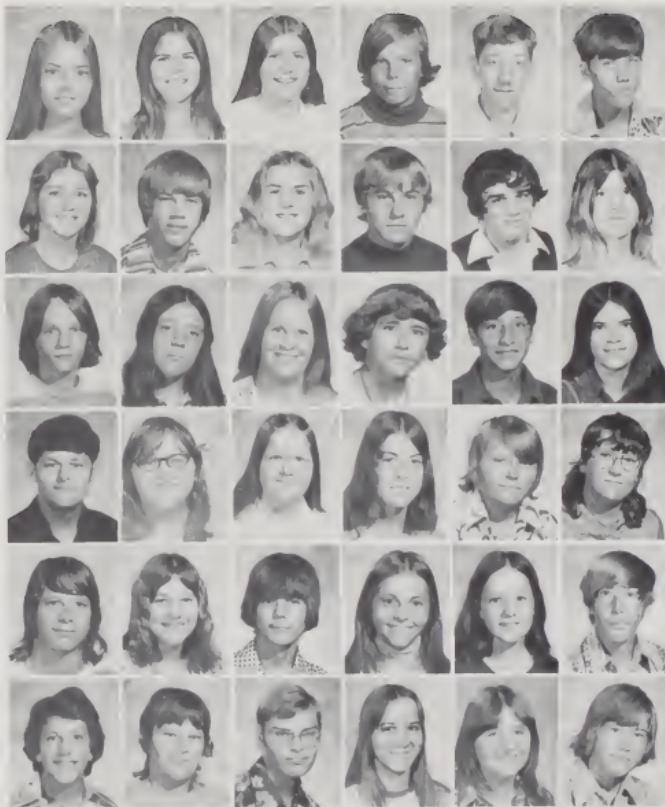

Into the close of the year, the class, more organized, was considering a car wash and trip.

"It was a good year after all," noted the class president.

EDISONIAN

Advertising is very much a part of the Edisonian; it shows businesses and schools working together. The yearbook needs ads; the merchants need customers. The staff would like to express our appreciation to these fine merchants and patrons for their faith and confidence in our 148-page product. Their continued support deserves our patronage in return. The design of the advertising is such to serve the student and the merchant by providing more photographs of the year. The staff felt that this is the best arrangement for those concerned.
